At Mindful Construction we aim to take the "con" out of contracting. Our goal is to deliver the best value for the most honest cost and to make sure the customers vision is obtained throughout the entire course of the project. We excell in all areas of residential construction and home improvement. Insulation, home energy services, appliance installation, crawl space cleaning, pest exclusion, vapor barrier, mold remediation, flooring, drywall, framing, painting, kitchens, bathrooms, windows, doors, roofing, siding and more. If you're shopping for a new roof this season you've come to the right people. Our Roofing professionals will make the nightmare of buying a new roof a simple project that you won't have to deal with again for a very long time. We do it for a fraction of what other companies charge and every job is handled from start to finish by the most skilled Craftsmen. We treat every project as if it were one of our own and guarantee 100% perfection. We look forward to working with you. Have a great spring and call for your free estimate today.
