Address: **2003 11th Ave., Monroe, Monroe**  
Price: **50.00 \$**

I helped take apart a deck and am posting this for a Monroe resident. There are 9 - 2x10s that are between 12 and 16 feet long and in very good shape. I believe they are 8-10 years old. They have been protected from the weather under a deck. There are quite a few nails that would need to be removed and they would have to be picked up. \$50 firm. (It would cost that much for 2 of them new.)
