50.00 \$ Price:

EdenPure is a well-known, long-established brand of guartz-based, infrared room heater. This big boy will heat a big room with its patented technology. If you have not heard of them, look them up online. They aren't cheap, but since we are moving and don't have room in our new, smaller place, this goes for only \$50. We are in SE Olympia, just off Rich Road and Yelm Hwy.
